

AJE Twitter Checklist

If you would be interested in having the *AJE* promote your article on Twitter, please fill out the form below.

Article Title	
Manuscript No.	
Corresponding Author	
E-mail Address	
Twitter Handle	
Twitter Handles of Coauthors, Institutions, Funders, etc.	
Tweet text ^a	
Would you like to include an image? ^b If yes, please provide the file name and send the image when you return this form.	
If you choose to provide a figure, please provide a short caption/tweet.	
Would you be interested in leading a discussion about your article on Twitter?	

^a Please make the tweet a summary of your article that is ≤ 200 characters (not words) to allow for a link to the article. Our social media editors may work with you to compose additional tweets that include more information.

^b The ideal aspect ratio is 16:9. PNG, JPEG, or GIF files are recommended. Twitter does not accept BMP or TIFF files. Please keep the file size below 15 MB.
